

**Position:** Experienced Fire Sprinkler Fitter  
**Company:** Contech The Fire Alarm Company  
**Location:** Rolling Meadows and Chicagoland region  
**Employment Type:** Full-Time

### **Join Chicagoland's Qualified Fire & Life Safety Partner**

Contech The Fire Alarm Company is seeking **experienced, full-time Fire Sprinkler Fitters** to join our growing team. Since 1977, Contech has provided comprehensive fire and life safety solutions throughout the Chicagoland region, delivering design, installation, inspection, testing, maintenance, monitoring, and emergency service for commercial, institutional, industrial, healthcare, educational, mission critical and multi-tenant facilities.

We are looking for highly qualified professionals who take pride in craftsmanship, safety, and delivering exceptional service to our customers.

### **Required Qualifications**

Applicants **must have successfully completed a U.S. Department of Labor-approved Sprinkler Fitter Apprenticeship Program**, such as the **Sprinkler Fitters Local Union 281 Apprenticeship Program**, or equivalent Department of Labor-certified apprenticeship.

Completion of a Department of Labor-approved apprenticeship demonstrates the advanced technical education, classroom instruction, and extensive on-the-job training required to safely install, maintain, inspect, and repair complex fire sprinkler systems while meeting all applicable NFPA standards, Illinois regulations, and local building codes.

### **Overview of Position Responsibilities**

- Install, modify, and repair wet, dry, pre-action, deluge, standpipe, and fire pump systems.
- Read and interpret construction drawings, shop drawings, hydraulic calculations, and project specifications.
- Perform sprinkler system installations for new construction, tenant improvements, renovations, and occupied facilities.
- Service and troubleshoot existing fire sprinkler systems.
- Perform inspections, testing, maintenance, and repairs in accordance with NFPA 13, NFPA 25, and other applicable codes.
- Communicate / Coordinate work with project managers, electricians, general contractors, owners, and other construction trades as needed.

- Maintain accurate documentation, inspection reports, and service records.
- Ensure all work is completed safely, efficiently, and in compliance with OSHA regulations and local code requirements.
- Represent Contech The Fire Alarm Company professionally while delivering exceptional technical execution and customer service on every project.

### **Preferred Qualifications**

- Completion of a Department of Labor-approved Sprinkler Fitter Apprenticeship Program.
- Experience working on commercial, industrial, healthcare, educational, municipal, or multi-tenant facilities.
- Strong knowledge of NFPA fire protection standards and Illinois fire sprinkler regulations.
- Ability to read blueprints and construction documents.
- Excellent troubleshooting and problem-solving skills.
- Strong communication and teamwork abilities.
- Valid driver's license with acceptable driving record.

### **Why Join Contech?**

At Contech The Fire Alarm Company, our people are our greatest strength. As an employee-owned company, you'll join a team where your contributions truly matter, your expertise is valued, and your success helps drive the success of the organization. We invest in highly trained professionals who are committed to protecting lives and property throughout Chicagoland while building rewarding, long-term careers in the fire and life safety industry.

### **About Contech The Fire Alarm Company**

For nearly 50 years, Contech has been a trusted provider of comprehensive fire and life safety solutions throughout the Chicagoland region. As a licensed Fire Sprinkler Contractor, Fire Alarm Contractor, and Electrical Contractor, we provide turnkey fire protection services including design, installation, inspection, testing, maintenance, monitoring, emergency service, and code compliance support for some of the region's most complex commercial, institutional, healthcare, educational, industrial, and multi-tenant properties.
